List of Correspondents

NorthStandard Limited and NorthStandard EU DAC do not appoint agents, but when necessary utilise the services of correspondents overseas, either experts (marked with a Commercial Icon) or lawyers (marked with a Legal Icon), who are listed above. Members and/or Masters are requested to make direct contact with the appropriate correspondent when time does not permit them to make prior contact with NorthStandard Limited and/or NorthStandard EU DAC. Whilst NorthStandard Limited and/or NorthStandard EU DAC endeavour to list correspondents' e-mail addresses, it should be noted that messages sent by e-mail may not be read immediately especially out of office hours. Any urgent messages requiring immediate action should always be followed up with the phone call to the recipient to ensure it has been received safely. All appointments made directly by the Member/Master should be reported to NorthStandard Limited and/or NorthStandard EU DAC as soon as possible with details.

Correspondents are not agents for service of process upon NorthStandard Limited and NorthStandard EU DAC.

The NorthStandard Limited and NorthStandard EU DAC are not guarantors under the United States Oil Pollution Act of 1990.

First Call

Hudson Tactix and Shuman Consulting Services have developed the First Call service for NorthStandard's Members who are disembarking crew for medical treatment in the USA only.

If crew members are injured or suffering an illness, Masters are encouraged to call the 'First Call' Tel: numbers. Hudson Tactix or Shuman Consulting Services will arrange medical attention, transport to and from the ship, and treatments at a reputable treating facility. This service also includes the control and auditing of medical costs.
